Diann Marsh

Diann is a founding member and Past President of the Anaheim Historical Society, now living in Galena, Illinois. Diann and her husband restored the Backs Honeymoon Cottage on Philadelphia Street, and they were instrumental in launching Anaheim's early preservation efforts. We have the opportunity to catch up with Diann as she visits for the week. Whether you recall Diann from her time in Anaheim, or know her only through her talented drawings and books on local history, come join the party and celebrate the temporary homecoming of an Anaheim history hero.

FREE admission and, as always, the public is welcome.

Light refreshments will be served. Steven Faessel's books on Anaheim history as well as Sesquicentennial blankets, and AHS gift memberships and t-shirts will be available.
